## Building together to meet the challenge of the times.

**University Library Centre — Sir George Williams Campus**  
Above is a view of the nine-storey terraced and recessed structure as seen from the Henry F. Hall Building. The plan, devised by the architectural firm of Sankey Werleman Guy/Blouin, Blouin has been cited for

fitting into the neighbourhood with "sensitivity" by Canadian Architect magazine which selected it for its award of excellence. The building will allow the library, as well as the Faculty of Commerce & Administration and several university departments to vacate scattered and costly rented facilities.

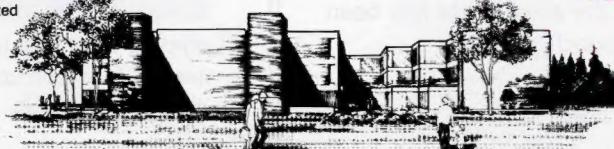

**Vanier Library Extension — Loyola Campus**  
Lower illustration shows how extension (doubling Vanier Library space) will run east from the original block at left. Scattered facilities will be consolidated in the enlarged structure freeing areas for

other pressing needs. One of these is a senate chamber. Since Loyola and Sir George Williams merged, facilities have had to be rented at the PSBGM headquarters building.

**National Chairman, William W. Stinson, President, Canadian Pacific Limited**  
"I think it is important that we have a strong Concordia in Montreal — and for people to appreciate that Concordia serves all segments of the community — all levels of society."

"So if people see this, if they want to see their city develop culturally and in economic terms, then they will see that

Concordia needs library and laboratory facilities and I believe we shall get these people on board to help us."

# COACHES

## Head Coach PAUL ARSENAULT

Paul enters his 20th season of coaching University hockey in the Montreal area. His career began in the 1963-64 season when he led the Sir George Williams "Maroons" to the O.S.L.A.A. title. The Maroons then became the Georgians and Paul guided the team through the Bob Berry – Trevor Keer – Alex Mathew era to three more championships, before finally losing to Loyola in the 67-68 campaign.

Paul's first Q.U.A.A. title came at Sir George in 1972 the year before he opted to join the cross-town rival Loyola Warriors. He won two more championships at Loyola before the merger created the Concordia Stingers in 1975-76. The monopoly of Loyola and Sir George in Quebec University hockey was finally broken. The Concordia Stingers hockey team, the creation of the two great hockey powers of the sixties and seventies, has gone on to win the Quebec Championship every year since, and Paul Arsenault has been the head coach for each of those triumphs.

It is no secret why Concordia continually dominates the Quebec university Hockey scene. The Stingers simply have the best coach; and coaching is such an important factor in sports. Paul Arsenault has the experience and ability to get the most of his players, and make the team a winner.

Paul's record now stands at 479 wins, 191 losses, 46 ties and 16 league titles. He is 4th on the all-time North America University Hockey Coaches win list. (See article on page 11). This season he will reach the 500 win plateau early in the new year and another milestone will be achieved in a superb coaching career.

Paul, his wife Cathi and daughters, Klay and Holly are residents of the Montreal suburb of Pointe Claire.

RECORD:	Games	Wins	Losses	Ties
1963-72 – S.G.W.U.	225	139	69	17
1972-75 – Loyola	121	77	37	7

## Assistant Coach ERIC DIXON

A graduate of Providence College, Eric enters his second season as Paul Arsenault's assistant. Eric has an aggressive coaching style and a winning attitude, and it rubs off on the players. He has been a valuable addition to the Stinger Coaching staff.

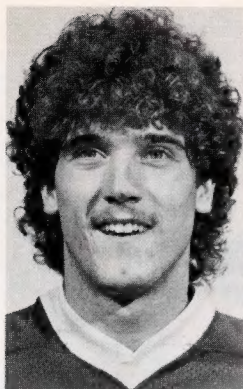

## J.V. Coach RICH BERCUSON

Last year, Rich guided the J.V.'s to the Senior League Championship, winning the deciding game of the best of three series in overtime, against the McGill J.V.'s. A strict disciplinarian, Rich helps prepare the J.V.'s for a chance on the Varsity team. Last year five J.V.'s moved up to starting positions with the Varsity squad during the season.

**Centre/Defense, 6'-0", 170**  
**20/07/62, Cornwall, Ont.**

**KIRK WILLIAMSON - 1**  
Goalie, 5'-9", 170  
25/12/62, Sydney, N.S.

Kirk comes to Concordia after playing for Laval University last year. With the demise of the Rouge et Or, Kirk transferred to the Stingers. **VICTOR FRANCISCO**  
Manager

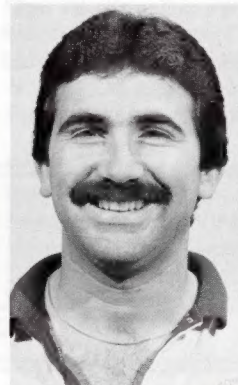

**STEVE SLAUGHTER - 3**  
Defense, 6'-0", 185  
29/01/62, Belleville, Ont.

# PAUL ARSENAULT LOOKS FOR NUMBER 500

A major hi-lite of the 1983-84 University Hockey season will be Concordia coach Paul Arsenault's 500th career coaching victory. Barring an unforeseen collapse, the Stingers should provide the veteran of 19 coaching seasons with number 500 sometime early in the new year. Arsenault enters the year having won 479 games, good for 4th spot on the All-Time North American College Hockey Coaches Victory list.

He is just 22 wins behind John Kelly, who has retired from Boston College after a 36 year career, and only 25 victories away from Alberta's fine head coach Clare Drake. Drake is on sabbatical from the Golden Bears this season. The All-Time leader is the late John MacInnes of Michigan Tech who won 557 games in 26 seasons.

Paul's career began in 1963 when he became the head coach of the Sir George Williams University "Maroons" (later Georgians). His debut belied what was to transpire, as his club lost 5 straight before he posted his first victory. University teams did not play as many games in those days, so even with the formidable Georgian teams of the mid-sixties, Arsenault did not reach the 100 win plateau until 1970, number 200 came on January 10, 1975 at the Verdun Auditorium when Paul's Loyola Warriors beat Sir George 4-3. Then the pace really picked up. Paul's 300th win came January 6th, 1978, a 6-3 win over St. Mary's in the Concordia Invitational Tournament, and the 400th in a 5-1 victory over McGill on February 10, 1981.

## Warm thoughts for cool nights.

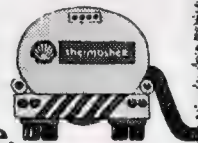

**EMERGENCY SERVICE** is considered by most Thermoshell customers to be the most important part of Thermoshell's total home heating service. They claim that knowing they can get help in a hurry is real peace of mind. With Thermoshell's Emergency Service, a skilled technician will answer your call quickly. You're assured of a professional job because our thoroughly trained technicians keep abreast of the latest technology in oil-burning equipment. And that means there's not a problem we can't solve.

### Thermoshell is more than home heat.

Of course Thermoshell's home heating service is more than just Emergency Service. It also includes an Annual Tune-up, so you can take peak performance and trouble-free operation of your furnace for granted. The Thermoshell Protection Plan guarantees you peace of mind because it provides coverage for vital parts, emergency service and an annual tune-up—all for just pennies a day, and Automatic Delivery, which means you should never run out of oil or ever have to call for a delivery. Thermoshell. Nice warm help. Now there's a nice thought.

### Thermoshell is nice warm people.

The Thermoshell Service Contractor, who does your annual tune-up, is the same person who responds quickly to your emergency call. And dealing with one person is a nice friendly way to do business. You get to know him and he gets to know your home heating system, which means he can correct any problems that come up—quickly and efficiently. What's even nicer is that he will probably turn out to be your neighbour, since, very often, he lives right in your community.

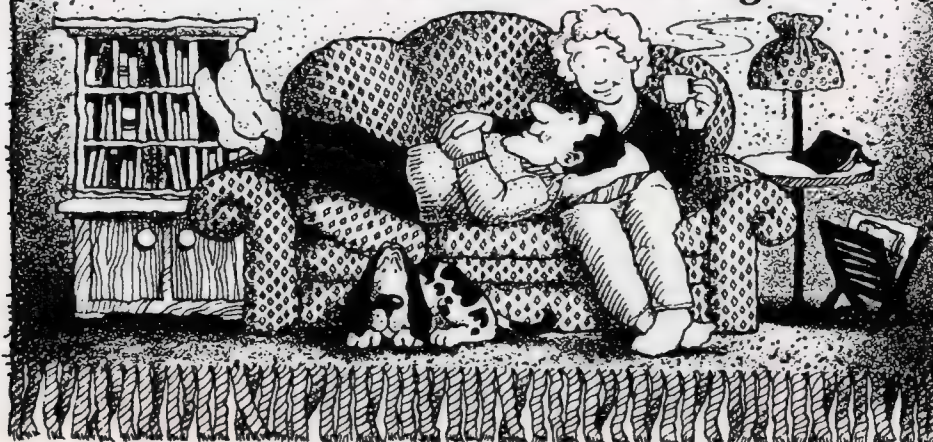

With Thermoshell it's neighbours helping neighbours to get all the nice warm help you need—all the time.

## FEATURE

### OUTLOOK

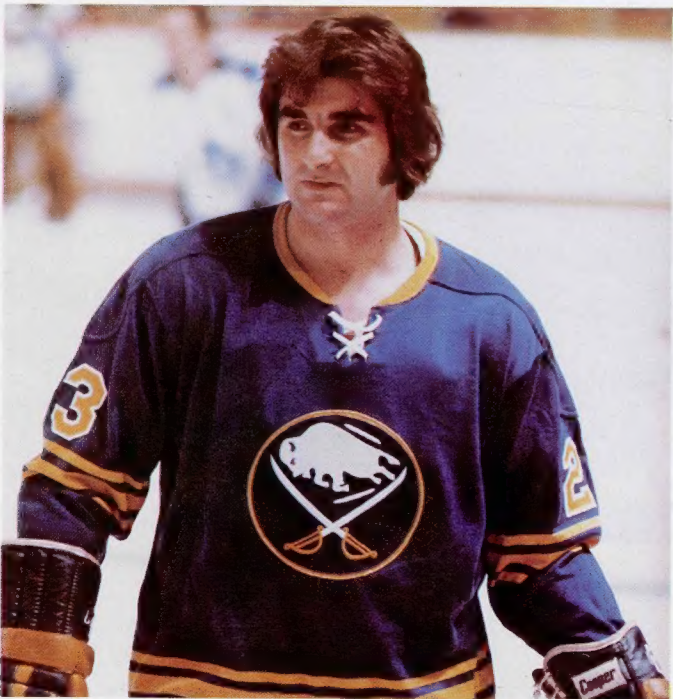

The Stingers once again will be strong, but the loss of eight veterans will make them an inexperienced team. The return of veterans Brian Taylor, Stephane Héon, Gilles Hébert, Brad Hood and ten good sophomores from last year's National finalists should help the Stingers maintain their high ranking of previous years. Offensively, the Stingers should be strong, but the loss of the experienced players, including top defensive forward John Sliskovic and defensemen Watt and Walker, will mean that goaltender Stephane Héon will be hard pressed to maintain his 3.04 goals-against average from last season. The addition of several new defensemen and some strong defensive forwards, along with good back-up goaltending, is essential for Concordia to emerge once again as Quebec Champions and National contenders.

Leading the returnees are veteran forwards Brian Taylor and Gilles Hébert. Taylor ended last season as the Stinger's leading scorer with 38 goals and 33 assists. Other outstanding forwards include, former Toronto Marlies centre Brad Hood, and sophomores Randy Edmonds, Mark Kosturik, Frankie Morris, Bert Gow and Kevin McGovern. Morris was granted a Hockey Canada Scholarship because of his outstanding play in last year's National Championships. On defense the Stingers will have sophomores Mark Odrowski, Marc Lalonde, Alain Boudreau and Bill Patterson, and in goal All-Star Stephane Héon and backup, Randy Duncan are returning.

The Stingers have graduated 8 Lettermen, including Co-captain and star forward John Sliskovic, and MVP Defenseman Mike Walker. Also lost through graduation are defensemen Derek Watt and Ron Stoneburgh, forwards Kevin Murphy, Kelly Kavic and Paul Bedard.

The Stingers have recruited heavily to replace the outstanding lettermen lost. Up front, a host of forwards will vie for starting positions including Ottawa Senators winger Brent Cater, centre Bill Hummel from North Bay, Doug Brown, Dave Ferguson and Anders Danielsson from the Thunder Bay Juniors, and former Bishop's leading scorer, Greg Thompson. On defense the Stingers have recruited former Belleville Bulls standout, Steve Slaughter and Tim Humberstone from the Kingston Voyageurs along with several others. In goal, Sudbury's Bruce McDougal, West Island Royal Star Tony Guerrero and Laval transfer Kirk Williamson will fight for a starting position alongside all-star Héon.

### FRIENDS OF STINGER HOCKEY "THE TEAM BEHIND THE TEAM"

Behind the scenes, Concordia has a dedicated group of former players, students and friends working towards merging the winning tradition of the two founding institutions, Loyola and Sir George into a positive force for Stinger hockey. Led by President John O'Hanley, Hal Henessey, Russ Mason and former Star players Larry Carriere, Dave Boyd, Danny McCann, George Lackenbauer and Harry Wenger, the Friends of Stinger Hockey have grown to 150 regular and corporate members over the past year. The highlight event of the season for the "Friends" is the annual reunion during the Micron Tournament in January. Last year's initial event attracted over 50 former Georgians and Warriors and this year many more are expected to attend.
